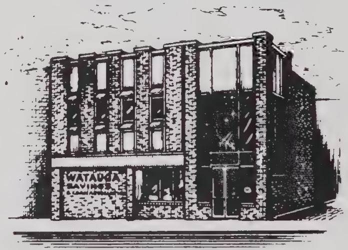
106 WEST MAIN STREET • BOONE, NORTH CAROLINA 28607



Serving Watauga County Since 1921

Building for your future

The Watauga Savings and Loan Association has had a part in the growth of this area since 1921. We have noted with pride the construction and development of Watauga High School.

Quality education is much more important than it was a few years ago. The administration and faculty along with the students have proven in one year that Watauga is the type of educational institution which is needed in this changing world of today.

The people of Watauga Savings and Loan Association also feel very strongly about quality. We require quality in all the homes we finance. We offer the best rates available on your savings. Put these together and you have a sound financial institution.

The time we thought would never come is now in the past. Graduation is an event which brings with it a mixture of emotions. To each member of the 1972 graduating class, we hope we have represented your senior year in a satisfactory way. To all future seniors, we hope you realize the full extent of the seriousness of education. Yet we hope to have shown you that in the midst of commonplace occurrences, many joyous happenings erupt.

We have attempted to portray the essence of a year at Watauga High School. Our thanks go to the student body for their participation; to our staff for their work; and, especially, to our adviser, who has helped us more than he will ever know. In years to come, we hope the 1972 MUSKET will evoke many pleasant memories of a year spent at Watauga High School.
